While we ensure your personal safety through the use of suitable vehicles and qualified drivers, we recommend that you do take out travel insurance to provide personal and public liability protection. The level of insurance provided through us is limited to the standard of insurance provided through the vehicle company we use. We do not take responsibility for personal or material damage incurred due to negligent behavior including not wearing a seatbelt or leaving items unsecured or unattended in the vehicle. If you need to arrive outside advertised pick-up times or require pick-up or drop-off before or after arrival or departure days, these can be arranged at extra cost and are not included in your free pick-up/drop-offs.

### **A note to participants**

Please understand that many of the conveniences, which we accept as normal in the USA and some other countries, are not always as readily available in other countries. It is very important to bring with you all medications and prescriptions. Your needs may be difficult to meet in another country. You should understand that the electrical systems in France function on a 220-voltage current. We recommend that you bring your own adapter.

All day trips require a reasonable amount of walking. Comfortable walking shoes are recommended along with a variety of clothing for various weather conditions. Prepare for warm to cool days and cooler evenings. Also, US customs does not permit meat products and other items into the USA. Please check before you purchase items to be sure they will be allowed entry into other countries. Be aware the itinerary may be adjusted to accommodate seasonal openings and or unexpected closing of attractions, restaurants, museums, etc... and or bad weather / unforeseen events.
