IMPORTANT TRAVEL INFORMATION

ARRIVALS AND PICK UP:

Our guest house is located near the city of ROUSSILLON, the heart of LUBERON.

I will personally pick you up at MARSEILLE - MRS airport on Sunday April 26, 2026 at 12:30 pm

The more comfortable solution for you would be to arrive at Marseille airport on Saturday April 25 and book a hotel there for the night to be ready and rested the next day for the pick-up.

I recommend the **Best western airport hotel** or **the Holiday Inn airport** (very close to the airport and they have shuttles to pick you at the airport when you arrive)

We will discuss all of this during a zoom call as soon as we have 7 participants.

DEPARTURE AND DROP OFF:

drop-off at Marseille MRS airport on **Monday May 4, 2026** in the morning (I will let you know the hour when I have everyone participant schedule)

I will also personally carry out the drop-off to Marseille MRS airport on Monday May 4, 2026.

Please – if possible - do not book a flight earlier than 8AM as we need to be at the airport 2hours before the flight and we have a 1-hour drive (meaning we have to go at 5am if your plane is at 8am)

--

You can also of course organize your own arrival and departure plan at your own expenses if you desire.
Simply plan your arrival to Marseille airport on Sunday April 26, 2026 at 12:30 pm
And your departure on Monday May 4, 2026 at 7 am

Your signature bellow (I have read and I agree to the arrival and departure details)

Damages and charges

Guests are required to act in a responsible manner at all times. The participant is responsible for ensuring that the property is left upon departure in the same general condition and repair as on arrival. Mathieu Brousses reserves the right to recover from participants the cost of any loss or damage caused by a failure to respect the property, fixtures, or fittings.

However, I like to fix things and I am pretty good at it so do not worry too much.

Travel insurance – strongly recommended

Insurance is not provided. You are strongly advised to make the necessary arrangements with a reliable insurance company to cover all stages of the trip including flight or transport cancellations as well as for cancellation of the tour booking. Your travel agent should be able to help you with this. Provence Art Experience do not provide insurance.

Complaints

We cannot be held responsible for events beyond our control such as breakdowns, leaks, power cuts, water shortages, floods, storm damage, strikes or force majeure events. We will do our best to resolve any complaints to the best of our ability.

Health considerations – important read

It is important to note that the workshop requires a minimum physical condition. We will often be painting outdoors, walking in old villages and going on excursions that might involve a little bit of walking in steep streets or with a few stairs. If you have any health concerns, please let us know when first applying for the trip so you can determine if this trip is doable for you (and take the responsibility). If you have any dietary restrictions, please let us know as well so we can inform the chef.

Liabilities

We cannot accept liability for fortuitous events such as acts of God or war, riots or civil strife, terrorist activity, industrial disputes, natural disasters, fire, adverse weather conditions, or consequences of any person during the course of the journey. Mathieu Brousses or the artist instructor shall not be held responsible in any way for any damage caused by or to participants if they do not undertake or complete their journey, nor for any contretemps during the journey due to delays, breakdowns or failure of the means of transport, nor illness, bad weather, strikes nor for any other reason due to force majeure. These conditions must be accepted by all members of the group tour party. We cannot reduce or waive these terms in the event of circumstances beyond control such as illness, injury or death, flight cancellation, war, civil uprising, terrorist attacks, labor strikes, earthquakes, floods, storm damage or force majeure. If, for reasons beyond our control, we are forced to cancel the booking, we will do our best to find a suitable alternative rental property or rental period.

Transport to and from paintings locations

While we ensure your personal safety through the use of suitable vehicles and qualified drivers, we recommend that you do take out travel insurance to provide personal and public liability protection. The level of insurance provided through us is limited to the standard of insurance provided through the vehicle company we use. We do not take responsibility for personal or material damage incurred due to negligent behavior including not wearing a seatbelt or leaving items unsecured or unattended in the vehicle. If you need to arrive outside advertised pick-up times or require pick-up or drop-off before or after arrival or departure days, these can be arranged at extra cost and are not included in your free pick-up/drop-offs.

A note to participants

Your needs may be difficult to meet in another country.

Please understand that many of the conveniences, which we accept as normal in the USA and some other countries, are not always as readily available in other countries.

- * It is very important to bring with you all medications and prescriptions.

- * You should understand that the electrical systems in France function on a 220-voltage current. We recommend that you bring your own adapter type C as it will fits all outlets.

- * All day trips require a reasonable amount of walking. Comfortable walking shoes are recommended along with a variety of clothing for various weather conditions.

- * Prepare for warm to cools days and cooler evenings in the spring and warm to hot weather in the summer months. Homes in France do not usually have air conditioning in many rooms. We do our best to find a home with air conditioning in all or some bedrooms, however, this is not guaranteed. Bedrooms with air conditioning (at a higher rate) are first come first serve.

- * Also, US customs does not permit meat products and other items into the USA. Please check before you purchase items to be sure they will be allowed entry into other countries.

- * Be aware the itinerary may be adjusted to accommodate seasonal openings and or unexpected closing of attractions, restaurants, museums, etc. and or bad weather / unforeseen events.
